EXPERIENCE

REACT DEVELOPER

SCRIPT.UZ & FREELANCE

2019 – 2020

Face-recognition app: used docker to containerize, created sign-in/register routes

E-commerce: used code-splitting to progressively render the webpages

E-commerce: ensured one-way data flow using react and redux

Café-bakery: created SPA structure from ground up

FRONT-END DEVELOPER

SCRIPT.UZ

2018 – 2019

Created functional and attractive web pages using HTML/CSS/ES5+

Implemented JS modules to add interactivity to a hotel webpage

Teamed with designers and back-end devs to improve usability

Ran diagnostics of web pages and optimized performance

EDUCATION

COMPUTER SCIENCE

edX | documentations | YouTube | Udemy 2016 – 2020

ECONOMICS

American University of Central Asia 2008 – 2012

2nd place in regional English Olympiad

VALUES

Quality before quantity

Get the job done

Give >= Take

Enso

OTHER EXPERIENCE

TRANSLATOR

USCENTCOM – “CARAVANSERAI” NEWS WEBSITE
2014 – 2019

Translated news articles/briefs that covered the Central Asian region
Assessed and verified the accuracy of articles translated by others

CO-FOUNDER / INVESTOR

HAPPY NOMADS YURT CAMP & HOSTEL
2014 – 2019

Designed the camp/guesthouse layout and planned the construction process
Ethnocultural hospitality startup in the mountain region of Kyrgyzstan
Funded the construction

TRANSLATOR

EMBASSY OF INDIA
2014 – 2015

Synchronized and sequential translations
Helped Indian and Kyrgyz delegations communicate during and after conferences
Assisted Indian prime minister Narendra Modi as he interacted via video conference
with Kyrgyz soldiers at the Too Ashu laboratory of the Kyrgyz-India Mountain
Biomedical Research Centre (KIMBMRC)

PROCUREMENT LOGISTICS MANAGER

OASIS AGRO LLC (“DUTCH NATURE” SUBSIDIARY)
2011 – 2013

Arranged/supervised local/international shipments (materials, products, equipment)
Fostered relationships with competent and reliable suppliers and service providers
Resolved contractual disputes and force-majeure situations
Optimized inventory control procedures.

During my time with the company:

Team grew from 4 to 50+ people
Client base increased from 5-7 to 150+
Production of feed alone increased from 1 ton/week to 15 tons/day

TRANSLATOR

UNHCR, THE UN REFUGEE AGENCY
2009 – 2011

Synchronized and sequential translations
Assisted interviewer and refugees communicate clearly during interviews
Translated refugee documents/letters into and between English, Russian and Uzbek
